UNTOLD STORIES

OSCAR NOMINATION

ACADEMY OF MOTION PICTURE ARTS AND SCIENCES

Until recently, the era of illegal abortion has been a “sealed chapter” in women’s history. Compelling first-person accounts illuminate the danger of back-alley abortions, revealing the physical, emotional and legal consequences when abortion was a crime in the United States. Women who jeopardized their lives, doctors who risked losing their licenses, and others who tried to help women find safe abortions, speak frankly about their experiences. (28 mins)

Featured in the award-winning trilogy FROM the BACK-ALLEYS to the SUPREME COURT & BEYOND

Produced by DOROTHY FADIMAN & DANIEL MEYERS with PBS affiliate KTEH-TV
